EVERY DAY
8AM—5PM**

The Librarians at Dormers Wells High School love reading. We talk to staff and students every day about the books we have read and enjoyed.

Reading every day for just 20 minutes will improve your grammar, your vocabulary, your spelling and your style of writing.

This reading list is a starting point of fiction readily available in the Library. We also have information books, plays and poetry.

Reading for pleasure is so important, enjoy.
