# Year 7 Coffee Morning

Dear parents and carers of Year 7 students,

We know that sending your child to secondary education can be a daunting task, and we want to assure you that our school is committed to providing you with the resources and support you need to ensure your child reaches their full potential. Building connections between parents, the school, and the community is important to us. We strive to establish a strong foundation for our students, and we believe that this can only be achieved through collaboration. To support parents, we offer informative coffee mornings where you can share your thoughts and concerns about your child's education. We also provide workshops that offer tailored advice, tips, and information. Our goal is to provide a support system that ensures the success of our students and their families. We look forward to the journey we will take together.

## Parent Tips and Reminders:

- Breakfast club starts at **7.45 am.**
- Library open from **8am till 5pm** (4pm on Wednesday)
- No Mobile phones allowed in school!!
- Check MyEd regularly to keep up to date on information and communicate with the school.
- Check their planners to support home learning.
- If you require support or have concerns do not hesitate to contact our school for help.
- Encourage reading at home.
- Talk to your child about their school day and ask questions
- Attending parent events is a great way to connect with the school on a personal level.
