13th May 2021

Dear Parents/Carers,

Thank you for your support in relation to the continued wearing of face coverings in school, we are immensely proud of how our young people have responded in a mature way understanding the importance of wearing a mask for their safety and the safety of others. We will continue to review the guidance over the coming weeks.

Thank you for giving this your attention and for assisting us in ensuring the well-being and safety of the students at Dormers Wells High School.
