Dear Parents/Carers,

### Re: Coronavirus update – school closure to most pupils

Following on from my last update, I am now writing to let you know that **we have now been instructed to close the school to almost all children after this Friday until further notice.**

As advised by the Government, we will do all we can to stay open for the children of key workers (e.g. NHS staff, police, others in frontline services) and children with certain needs.

We are waiting for the Government to publish more information on what this means, but it would help us in the meantime if you could let us know if you think your child may fall into one of these categories by completing the survey we sent via ParentApp. We will be in touch again as soon as we are sure who this applies to.

**All other children will need to stay at home, so we ask that you do not send your child into school from Monday 23 March onwards.**

Please note that this is a national closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We will re-open fully as soon as we can and will let you know when this is by a message via ParentApp and a message on the school website.

### What we will continue doing while your child is at home

Your child has already received a Learning Pack and a guide for parents can be found on the school website: <http://www.dwhs.co.uk/Letters>

This is as much as we know right now and we appreciate your continued patience as we deal with this ever-changing situation. We understand that this latest news will have an impact on you and your family and it is far from ideal, but we will continue to keep in touch with any updates as the situation develops. If you want to get in touch to share any concerns, please do not hesitate to do so via the ParentApp.

Also, remember: if you or your child feels ill and you want to know what to do next, please use [NHS 111 online](#).

Thank you again for your continued support, and we will be in touch with more information when we can.

Yours faithfully,

Ms R Walsh  
Headteacher
