19th June 2020

Dear Parent/Carer,

It was wonderful to meet so many of our Y10 and Y12 students throughout the week. The importance of face-to-face contact cannot be underestimated and we look forward to meeting more students' week beginning 22nd June 2020. Please ensure your child attends their allotted appointment.

A reminder below of the important safety measure we have put in place to keep all staff and students' safe at all times.

1. **Visitors to the school are by appointment only.** If you need to come in to the school to talk about anything, i.e. Vouchers, books, please call and make an appointment. Please continue to call or message the school if you require support.
2. **Masks** - Students are advised to wear a mask if you are travelling on public transport. We are also allowing students to wear an appropriate mask in school if they wish.
3. **Gloves** - All visitors, including students will be asked to remove gloves as they enter the main gate. The reason for this is to control the potential risk of contamination entering the school. On entrance to the school site students will be asked to remove any type of gloves at the school gate and deposit used gloves in a secure bin. If students want to wear gloves on the journey home, they have to bring a spare pair of fresh gloves.
4. **Hand sanitising** - Government guidance still confirms that regularly washing hands is the key measure to prevent the spread of the virus we have therefore placed hand sanitising stations at the entrance and exit of the school building. Students will also have access to hand sanitiser outside each toilet and in classrooms.
5. **One-way System** - We have introduced a one-way system to ensure 2 metre social distancing is maintained. Please ensure you follow the one-way system, which is clearly signed throughout the school.
6. **Uniform** – please wear full uniform apart from your blazer. We advise you wash the uniform after having visited the school.

What can we do to help ensure safety when travelling to school?

Where possible ensure your child walks, cycles or is dropped to school in a car, rather than using public transport. Ensure your child arrives on time for their slot and doesn't travel to or from school with friends. If your child or someone at home has symptoms of coronavirus do not send them to school. If your child has symptoms they should self-isolate for 7 days and not come to school. If someone else in the household has symptoms, everyone else should self-isolate for 14 days and so your child should not come to school.

Thank you for your patience and support during this time and we look forward to welcoming your son/daughter back to school.
