6th May 2021

Dear Parents/Carers,

I hope that you are well. As you will be aware, Year 13 have started their summer assessments this week. The summer assessments, which are based upon topic lists that the students received in March, will form 50% of the final grade for each student. The remainder of the final grade will be made up of the March PPE exam and the February working grade from the Year 13 progress check.

It is important that if you have questions regarding any of the assessments that contribute to the final subject grade that you raise this with us. If the questions are general, or relate to the whole school process, then please contact me via the school. If your questions are more subject specific then please contact the relevant curriculum leader.

Below is a copy of our Centre Policy, which explains the process that we will be following in more detail. Again, if you have any questions regarding this policy please get in touch with me at the school.

[DWHS Centre Policy](#)

I would like to take this opportunity to remind you that the Sixth Form results day this year is on Tuesday 10th August. Further details will be sent out nearer the time on how students can collect their results that day.

Yours faithfully,

Mr D. Fenlon
Head of School
