4th January 2021

Dear Parents and Carers,

Remote learning will begin tomorrow, 5th January 2021.

The expectation is that students attend all remote lessons including assemblies and that they submit the work set by their teacher. This is not optional.

All students must follow their school timetable (Week 2) to access their learning.

All lessons will be delivered via Microsoft Teams. If you are having technical issues, please message the school via the My Ed App and a member of our team will contact you.

Year 7, 8, 9, 10 & 12: 5th – 8th January 2021 students will be set work to complete each lesson. This work will consist of a variety of set tasks. Staff will be checking and providing feedback throughout the week. Live lessons for these year groups will commence on Monday 11th January 2021.

Year 11 & 13: 5th – 8th January 2021 students will receive live lessons each of their timetabled lessons.

As the national picture is changing on a daily basis I will continue to update you of any further changes in the coming weeks.

Yours faithfully,

Ms R Walsh
Headteacher
