Dear Parents and Carers,

Re: SIMS Parent App

I am writing to share news of a new app that we are launching that will help you stay closely connected with your child's learning and progress. The app is called **SIMS Parent App**. The app will help you to have easy access to important daily information about your child. This will support you in having conversations to support their learning.

By installing the app, you will be able to easily view:

- Your child's **timetable**.
- Their **achievement points**.
- Their **behaviour points**.
- Their **attendance** to school including lates

To begin using the app, the first step is receiving an invitation.

- **Look for the Invitation Email:** An invitation email will be sent out **today, 24th November 2025** from noreply@sims.co.uk.
- **Click on this link** <https://www.dwhs.co.uk/parents/parent-app-sims> to access the below attachments which explains how to register and set up an account on the service:
