## FROM YOUR FORM TUTORS

Well done to 7AD! You have made it to the end. You will be great role-models in year 8 and I am super proud of each single one of you. "Always be a first-rate version of YOURSELF instead of a second-rate version of somebody else"  
Shout out to Avneet, Karisa and Jasleen for being in the top 3 Highest Achievement points in 7AD. Shoutout to Karisa for having absolutely zero behavior points from the start of the school year! Shoutout to Tia who joined our school begin of 2022 and is ending the school year with zero behavior points.

7BT have had an excellent year with consistently high attitudes to learning extremely low behaviour points from nearly every member must set them out as one of the best forms in DWHS history.

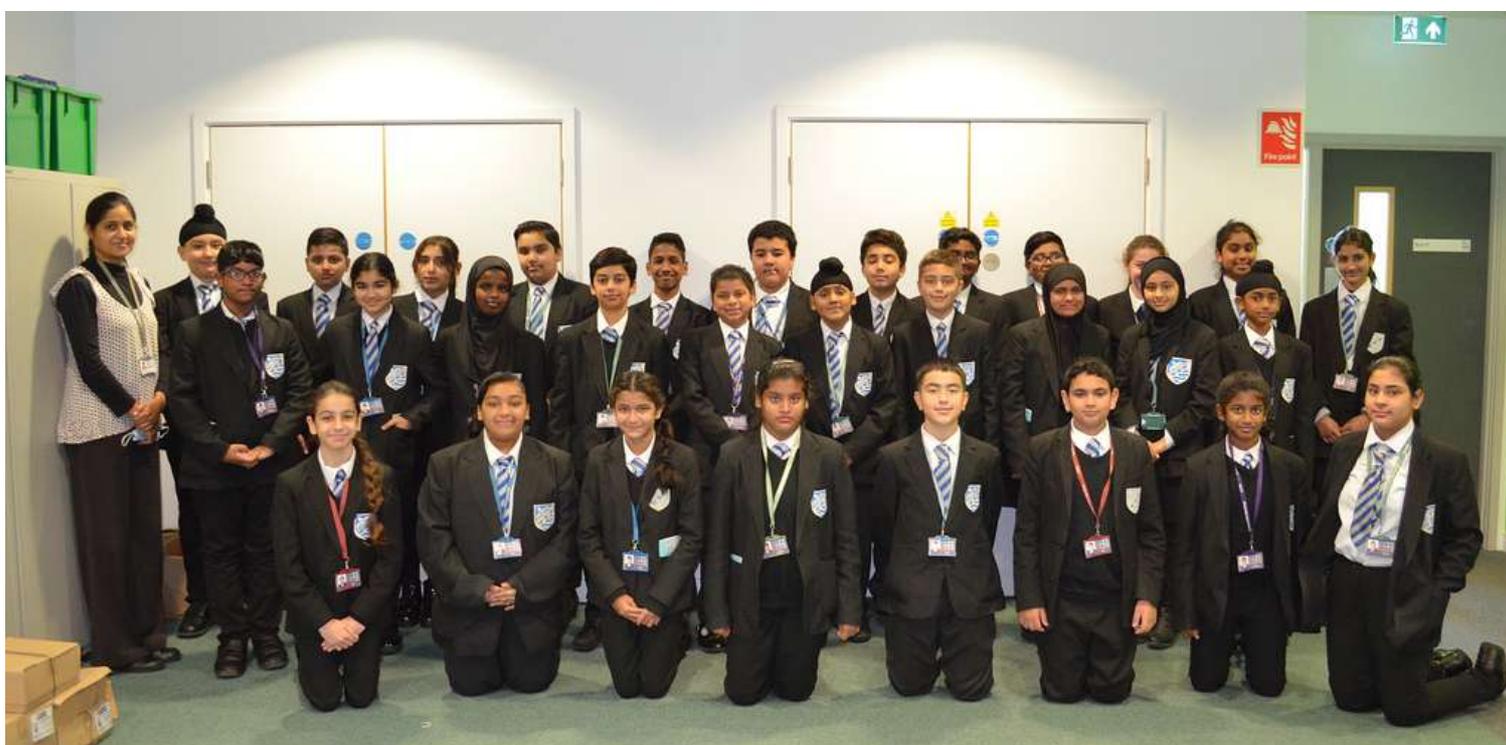

Congratulations 7MD for the determination and growth you have shown throughout this academic year. I am very proud of each and everyone of you for all your achievements and the vibrant character that you bring to the form room. As an English Teacher, you have also impressed me with your confidence and passion during class discussions, as well as, your enthusiasm to participate in all activities we partake in. I still remember seeing you come into school at the very beginning of the year - shy and anxious about what secondary school would be like, and now seeing how confident you have become fills me with joy. I have no doubt that you will shine even further in year 8 and will be great role models for the new year 7's.

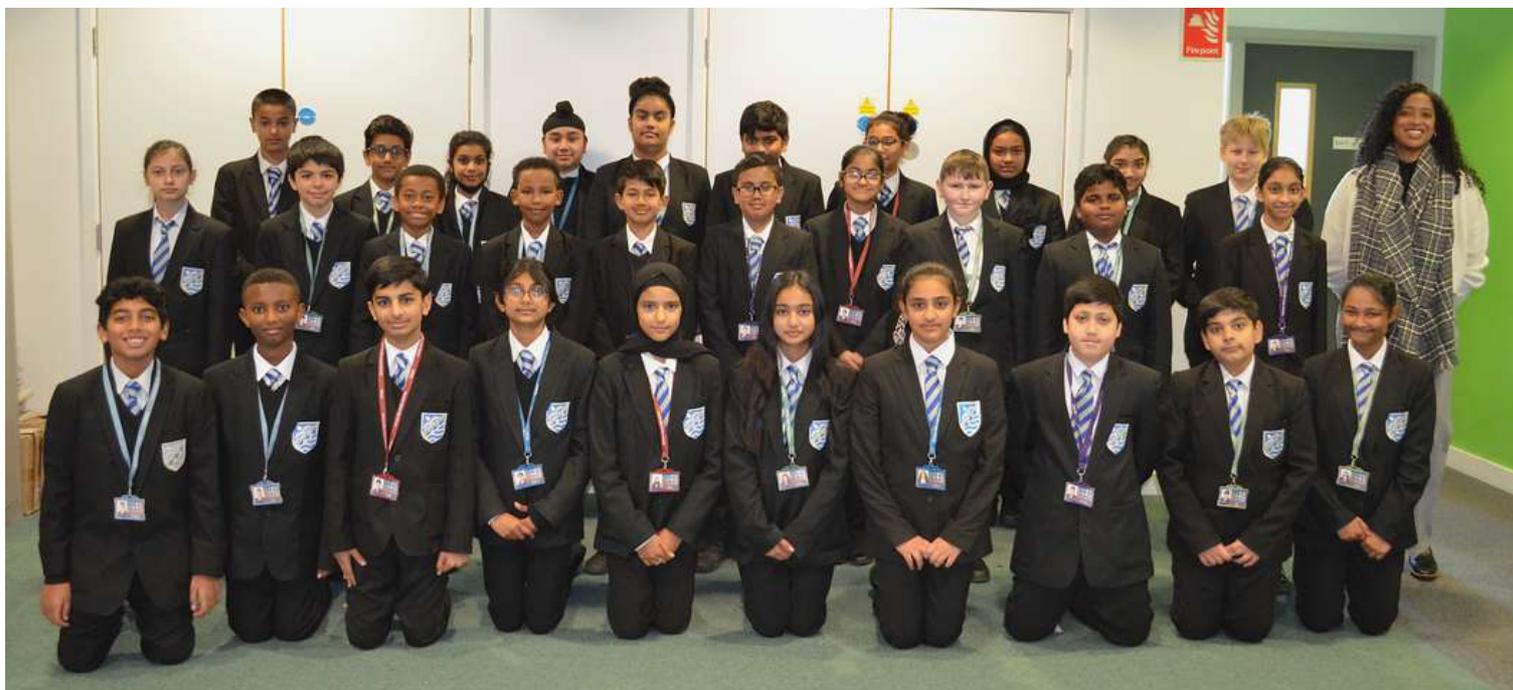

7PW you have made a great start to your time in high school and I'm proud of what you have achieved this year. I have been blessed with so many creative and artistic students who I have really enjoyed teaching. Our form board is the best not just in year 7, but the best in the whole school and that is all down to you. Many of you achieved really good ATL scores and made progress from term one to term three. Some of you have also managed to stay on zero behaviour points all year proving it is possible. I have laughed loads in form time and have enjoyed our discussions and jokes. What sounds do sharks make? is one that I will remember with a smile. The presentations that you all did at the beginning of the year really helped me get to know you all and show me how professional you could all be. You will all achieve even more next year, and I know you will make yourself, your family and me proud of everything you will achieve. Keep smiling, keep reading, keep drawing, keep watching anime, keep exploring the world and keep being you.

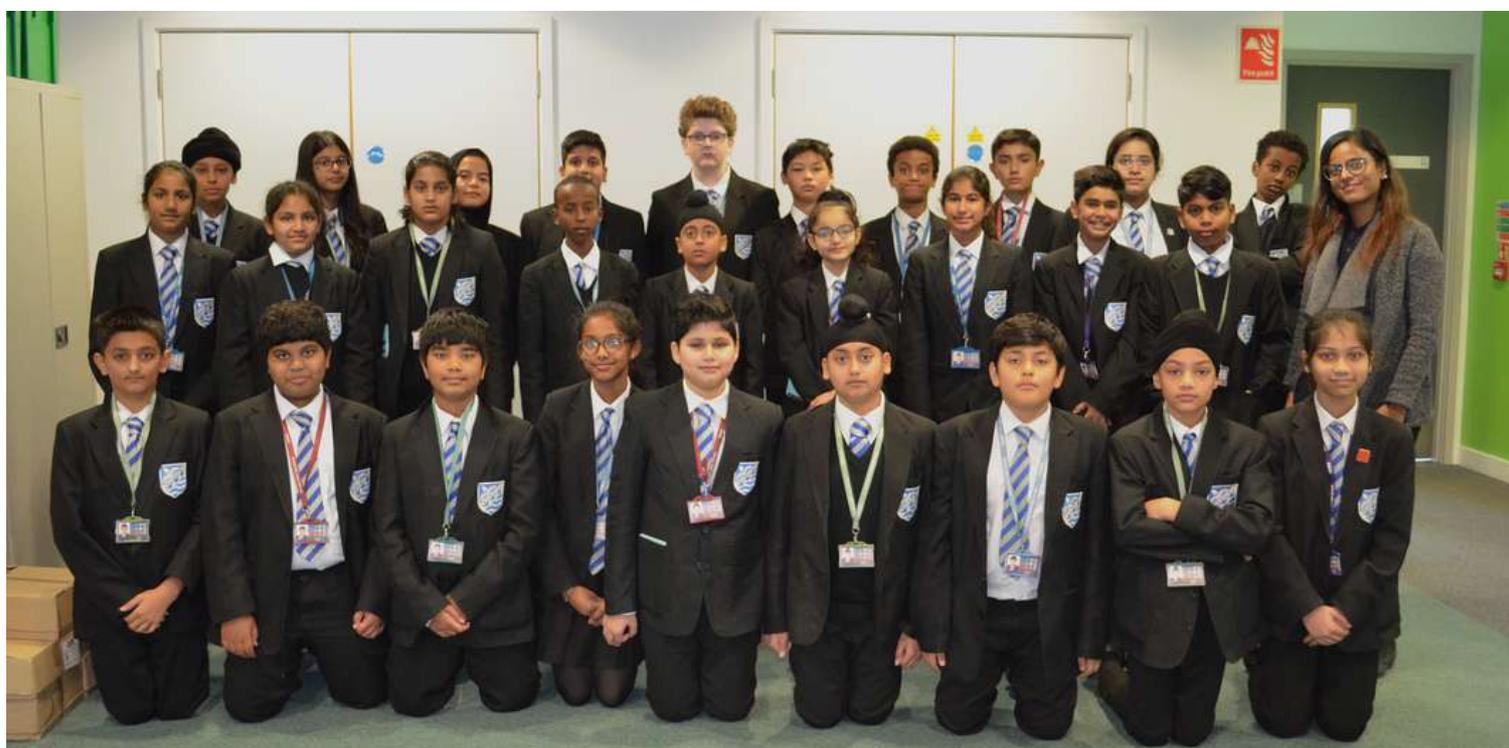

7LI - You all have displayed excellent attitude during form time on most of the occasions. You have delivered the PowerPoints with great confidence and enthusiasm. I would like to congratulate two students Hibba and Ryan for the highest ATL scores consistently. I wish you all develop self-confidence and become more independent in thought and action in Year 8. Moreover, continue to make a positive contribution to the class through cheerfulness, enthusiasm, and perseverance. Shout out to Arayah, Aalee and Hibba for getting highest achievement points in the form. Shout out to Rajan for getting zero behaviour points from the start of year 7.

7DH - Very well done for being almost the top form group for getting the highest house points in the year group. It is a real pleasure to be your form tutor. Special thanks to Joshan, Dharamdeep, Melad, Ethan, Balveen, Gurjot, Umar and Muhammad for being so helpful during form time. Well done to the following boys and girls. • Hidayatullah and Muhammad (Cricket) • Ethan, Melad and Simone ( Football) • Amina, Siena, Tamanpreet and Hafsa (Football). • Amina and Abishan for making the most progress academically. You are all very special in your own way. All the best for next year! I am sure you will carry on making a positive contribution to the school community. Shout out to Dharamdeep, Kashish and Joshan for getting the highest achievement points in the form. Joshan, Amina and Dania well done for having zero behaviour points.

7EB you have had a fantastic start to secondary school and adjusted well to expectations at Dormers Wells. You have been consistently leading the year group in achievement and demonstrating our DWHS character values of determination, wisdom, honesty, and service. Special recognition for our top five achievers: Dhruv, Abdul, Mohammed H, Yasir and Ameer who have gained the most achievement points in our form this year and a big shout out to Dhruv who has the most achievement points in the entire year group: well over 300! Overall, as a form I continue to be very impressed with the work ethic, politeness, and excellent attitudes towards learning you have demonstrated this year. You have bonded as a form as well and it is a pleasure to see you supporting and challenging one another! You are keen to compete inside and outside of the classroom and you have a zest for learning that has made me smile many a day! I have so enjoyed our discussions and watching you learn new skills and using your creativity in the house competitions. Maintain this wonderful spirit and you will do well next year- it's onwards and upwards EB- let's go!

7BN- I am so proud of our form family. You have grown and evolved as individuals over the past year, and it has been a pleasure to be a part of your journey. Over my time with you, some of you have made me laugh with your quirky humour, some of you have inspired me with your knowledge and passion and some of you have driven me mad! However, my most cherished memory of you will be the compassion, kindness and care you have all shown each other throughout the year. A special shout out to Yahya for leading some of our character sessions with the professionalism of a qualified teacher! Good luck for year 8 and I hope that you can all build on the strong foundation you have created in year 7 to become wonderful human beings.
