Dear Parent/Carer,

I hope that you are well. I recently wrote to you regarding the planning for a third set of PPEs for Year 11 students. All schools were required by the Government to assess students on three separate occasions so that the results could contribute towards a Teacher Assessed Grade (TAG) in each subject. We had provisionally scheduled the third PPE for mid-May.

As the national summer exams are now due to run as planned, we will not be proceeding with the third internal PPE in May. This will ensure that all Year 11 students are able to focus fully on their external examinations. Students will continue to be supported by their teachers in working towards the national summer exams.

If you have any questions regarding this, please contact me via the school.

Yours faithfully,

Mr D. Fenlon
Deputy Headteacher
